—J.W. Plays the A1, A3, A5 variations randomly and freqently.
—J.W. Plays the A6 var frequently. Rec. on the repeat for consistancy.
—J.W. and J.G. both do the B2 var on repeat consistantly.
—On the Red Mules recording on A4, and A8 I think one fiddler is playing it like the variation and one like the source but not consistantly. J.W. plays it infrequently.
