Speckled Apron - David Hamblen

A Modal Fiddle Std - GDae or Cross A - AEae

Ken Torke
www.PossumMonorail.com
07/24/23
u 08/26/26

Note: A modal. C's are somewhere between C and C#, G's are natural.

Based on Steve Green's recording. Wig's version is in Cross and very similar but opens with a AE doulble stop.

Some of the doubled notes can be quarter as a minor variation and visa versa. Can also vary by syncopate or shuffle B1, B3, B7.
