C **A** G

C G 1. C

2. C End Here G **B** D

G D

1. G 2. G

Var A3 and A4 Var A3

First note of A part: frequently just slides into the C from the B, sometimes plays A-B pick-up.

Varies B part (and the A to some extent as shown) quite a bit but starts, ends and uses this over so consider the others the "variations."
