The musical score is written on a single treble clef staff. It begins with a repeat sign. The first line contains a C chord, a boxed 'A' section, and an F chord. The second line contains a C chord, an Am chord, and a first ending bracket labeled '1.' with G and C chords. The third line contains a second ending bracket labeled '2.' with G and C chords, a boxed 'B' section, and an F chord. The fourth line contains two first ending brackets, both labeled '1.' and '2.' with G and C chords.

Burl's version is un-accompanied. Chords from Chance McCoy's.

Burl's does not repeat the A part. The "Hammons Family" version does as does most versions.

The last notes in several measures are quarters, doubled or pick-ups to the next measure...seems rather variable between different versions. Ex. The DA in A! can be DD or just D qtr.
