1. I've got a monkey in a dog cart
I got a tiger in a cage
I've got a real fire-eater
Step up you'll be amazed

2. See the Indian rubber man
See a two-headed horse
Meet the bearded lady
It's all inside of course

3. I've got a monkey in a dog cart
He goes round and round
I've got a world of wonder
Coming to your town
