1. 2. Em Em B G C G

Var A3 EW Var A3 EW Var A4 RL Var B8 Pick Up EW

A lot of low note drone on the B part.

Source appears to be a tune from Boyd Asher likely mislabeled as Leather Britches. Boyd's version is fairly different. There is also a recording by mandolinist Kelly Purdue and Earl White has previously mentioned getting tunes from him. Earl has stated that he got it from Rena Rubin but she doesn't think that's true.
