Bow direction changes are as a Std Shuffle. Make sure to have a strong 1st and a light second for the eighths. Note: Not always on the down since it's a shuffle.

The F# in the pick-up to the B part "wants" to be an F natural because of the C chord. Options are to play an F natural, sharp, or in between. Rhys likes the F# for the tension.

This is the same tune as Jolly Farmer, I'm A NIce Old Man, and Frost's On The Pumpkin and Fodder Is In The Shock.
