u 01/23/26

From 2019 Fiddle Tunes workshop. Very similar to his commercial Rocky Creek Ramblers recording. Uses the B2/B6 variations interchangably there.

Joe Decosimo's version is a bit different from Charlie Acuff's

Originally Rabin's Gap from Jimmy McCarroll via Charlie McCarroll. Joe Decosimo got his version from Charlie Acuff but it's most likely a variant of the same tune.
